

## **Maharashtra University of Health Sciences Fellowship in Cardiovascular Pathology**

Seth GS Medical College and King Edward Memorial Hospital, Mumbai, India offers a one year Fellowship in Cardiovascular Pathology recognised by the Maharashtra University of Health Sciences.

This program aims to train qualified pathologists in the complexities and spectrum of diagnosis in cardiovascular pathology. The particular strengths of this program are tropical cardiovascular pathology and congenital heart disease. Two positions are available and are announced in July on the college website <http://www.kem.edu/>. Completed application forms should be submitted to the Department of Pathology along with the prescribed documents and two recommendation letters. Interviews are conducted in August and the training of selected candidates commences on the 1st of September each year. Each candidate is allotted a research project and a final assessment is conducted at the end of the program.

For additional information regarding the training program, please write to Dr. Pradeep Vaideeswar: [shreeprajai@yahoo.co.in](mailto:shreeprajai@yahoo.co.in)
