

# ADULT CARDIOVASCULAR PATHOLOGY

**Thursday 15-16<sup>th</sup> June 2017**

**St Georges Medical School, London SW17 0RE  
Michael Heron Lecture Theatre, 1st floor Hunter Wing**

**Course Organiser: Professor Mary N. Sheppard**

This course approaches the practical problems that face the diagnostic pathologist when dealing with cardiovascular pathology, which is the most common cause of death in the western world today. The approach to a cardiac autopsy, cardiac anatomy and cardiac dissection will be emphasized. Topics covered include: sudden cardiac death, valvular heart disease, cardiomyopathies, inherited cardiac disease, myocarditis, and post-operative deaths. A large collection of cardiac specimens will be available for study during the two day course.

Course fees: £325 Full Rate | £175 Daily Rate |  
£225 Special Rate for SpRs | £120 Special Daily Rate for SpRs

CPD Credits Sought
